In Memory "Doc" Witt was one of the outstanding bandsmen of the country. However, when being praised this fact is often overlooked, since his most outstanding attribute was his love of all mankind. He was one of the few men in the world who loved and was loved by all with whom he came in contact.

Dedication We, the staff of the APACHE, dedicate this edition to Miss Mildred Howell. It was her assistance that made the publication of this book possible, but it is not because of her ready and cheerful help that we make this dedication. It is simply because we love her.

Texas Eastern School of Nursing

Texas Eastern School of Nursing, the only professional nursing school in East Texas, originated through the efforts of Tyler Junior College to meet the educational needs of this area. The first class was enrolled in September of 1951.

On May 7, 1951, the Board of Trustees of Tyler Junior College authorized the founding of the school. Plans were formulated and presented to the State Board of Nurse Examiners for approval. This board recommended that the school should be a central nursing school with its own charter from the State of Texas. In such a school, the students would receive instruction in Basic Sciences in Tyler Junior College, with Clinical experience to be given in the two leading hospitals of Tyler and the Health Department, and affiliations in Pediatrics and Psychiatry to be arranged in one of the larger Texas cities. This is the plan that was adopted.

Provisional approval was granted by the State Board of Nurse Examiners. Standards and policies that are being adopted by the school in its development are in accordance with recommendations of the National Nursing Accrediting Service. We know of no reason why the school should not have full accreditation by state and national accrediting agencies after it has been in existence for the required three year period. Our graduates will be eligible to take the State Board Examinations to become registered nurses. We sincerely hope that the school will do a great deal toward providing better nursing care for the people of East Texas.

The Choir

The Choir of Tyler Junior College is a voluntary organization which is open to all students of the College. During the first semester its efforts were concentrated on a Christmas cantata, "When the Christ Child Came," which was performed for an assembly program and was also broadcast over station KTBB. Soloists for this performance were Mary Hill, soprano, Hazel Jayroe, soprano, and Paul Grubb, baritone. The Choir was accompanied by Helen Glover, organist, and Gertrude Kirshbaum, harpist, both of the TJC faculty.

During the second semester the Choir performed for the annual High School Senior Day at TJC, performed for various service clubs, appeared at various high schools in the vicinity, and gave a public concert in the spring.

The Choir and the Chorale, a group of selected singers, are conducted by Arthur Schoep of the Texas Eastern School of Music faculty. Officers are Mary Hill, president; Fontaine Ziph, vice-president; Mary Stephens, secretary; Patsy Davis, robe chairman, and Roy Carnes, treasurer.

Many followers say the 1951 Apache team was the greatest Tyler Junior College has produced in its history. Only one other team in the school's annals, the 1947 team, equaled the 10 straight win record set by last year's squad. The Tribe came out on top in ten hectic battles, compiling 413 points, while holding their opponents to only 124. These victories were over teams representing the best in five states. After their eighth consecutive victory, the one over Kilgore which cinched the Big Six Conference crown, they emerged at the top in the national rankings. The dream the citizens of Tyler have been looking forward to for six years finally came true when the Apaches were invited to Pasadena, California to represent the West in the Seventh Annual Junior Rose Bowl game.

Defensive back Ted Hughes (42) rips off a long gain against Itawambi as Bill Andrews (44) leads interference.

ITAWAMBI PLOWED UNDER IN SEASON OPENER

Tyler's Apaches started the season off with a bang, downing the Itawambi Indians of Fulton, Mississippi, 64-12 before 8,500 fans in Rose Stadium. Billy Andrews, playing his first game for the Apaches, was the leading ground gainer. He also scored two touchdowns, as did Charlie McNeil with his terrific running and Johnny Linney with his passing.

APACHES TAKE CAMERON IN FIRST CONFERENCE ENCOUNTER

In an extremely rough battle played on foreign soil the Apaches made it two in a row by defeating the Cameron Aggies of Lawton, Oklahoma, 27-0. This was the first conference encounter for both teams. Leading only by 14 points, it wasn't until the fourth quarter that the Indians started rolling. This was the only game of the year in which the opposition was held scoreless.

PARIS TRIPPED IN FIESTA TILT

In the annual Rose Festival game, the Apaches avenged their 1950 loss to Paris by defeating the Dragons 34-14. The game was played in sweltering 90 degree weather before a large fiesta crowd. The Dragons jumped to an early lead after recovering the fumbled kickoff on the Tyler 30. However, the Apaches scored a TD in the second period, two in the third, and once again in the fourth to take the victory. Andrews again led the scoring with two six-pointers.

Andrews outruns two Cougar linemen in a run around end.

LINNEY'S PASSES SINK HOUSTON

Johnny Linney had one of the best nights of his career last October 11, when the Apache tribe ground out a hard earned 32-19 victory over the University of Houston B-team. Three touchdown passes by the All-American in the early stages of the game built up a lead that was never overcome by the Cougars, despite their desperate attempts in the last half. Ted Hughes looked exceptionally well on defense, intercepting three of the Houston aerials.

JOHN MUIR FALLS AS SIXTH VICTIM

Scoring every time they got their hands on the ball except once, the Apaches rolled up their sixth consecutive victory by easily defeating the John Muir Mustangs of Pasadena, California, 75-14. Only once during the entire contest was the home team forced to punt. Both teams played fine ball, but the Californians were completely outmanned by the Apaches who were superior in every department.

APACHE POWER TOO MUCH FOR VICTORIA

Victoria staged one of the most magnificent struggles yet played in Rose Stadium, but they could not overcome Tyler's terrific power as they fell 55-33. It was anybody's ball game for 3½ quarters. The South Texans were ahead 27-25 at half time, but TJC stormed back to take a 39-27 lead at the end of the third quarter. The Apaches looked rather weak on defense; the victory lay in Tyler's superior offensive machine.

TYLER DEFEATS HUTCHINSON IN BITTER COLD

In one of their closest battles of the season the Apaches drove past the Hutchinson Blue Dragons, 27-14 in freezing weather in Hutchinson, Kansas. The Apaches were completely outplayed in the first part of the game; the half ending in a 7-7 deadlock. However, in the last half Ted Hughes and J. H. Cagle both returned Hutchinson punts for touchdowns to put the game on ice. Joe Krysa played an outstanding game at defensive end. Tommie Ward was the offensive leader with 72 yards rushing.

Davenport picks up more yardage against John Muir as Howard Chapman (72) and Royce Franklin (50) come up to lend a hand.

Allen (45) picks up a short gain for John Muir before he is downed by Hughes (42) and Buck Gibson (40).

FIVE TD'S IN LAST HALF DOWN WHARTON

The Apaches put on a dramatic last half comeback to down the Wharton Pioneers 48-14 before a Homecoming crowd of 6,000. The Apaches had to overcome a 14-13 half-time deficit to run their record to eight victories without a defeat. Stan Keatherley, the most deadly passer to stalk into Rose Stadium in some time, was completely bottled up in the last half, while the Black and Gold went on to score five touchdowns.

Tommie Ward plows through for a gain against the Rangers.

Bill Andrews comes to a quick stop to fake Kilgore's Bobby Stansel out of position.

Charles McGinty goes high into the air to snatch a Linney pass.

THE GREATEST VICTORY OF THEM ALL WAS THE ONE OVER THE RANGERS

In their most magnificent victory of the season the Apaches racked up the largest margin ever registered in their five year old grudge battle with Kilgore by downing the Rangers 26-7. Seventeen thousand fans, the largest crowd ever to see a football battle in East Texas, saw the terrific power of the Tribe outclass the slightly favored Rangers. This was truly the greatest victory of them all, for it gained the deserving Apaches the number one spot in the nation. It was a bitterly contested battle in the first half, but the outmanned group from the Oil City succumbed to the Apache power in the second half. Tyler was ahead by the narrow margin of 6-0 at intermission, but the fighting Rangers stormed back to take a 7-6 lead shortly after the second half got underway. Johnny Linney completed three touchdown passes. Tyler's second touchdown climaxed a sustained 83-yard drive. The drive was culminated by a 12-yard end run by Bill Andrews. The entire bulk of the Tyler line played magnificent ball, as did the entire team.

APACHES EDGE EAGLES TO FINISH UNDEFEATED

On the brink of their first defeat of the season, the Apaches stormed back in the last half to down a fighting North Texas B team 15-7. The Eagles scored on the last play of the first half to take a 7-6 lead. All-American Linney passed from the North Texas 44 to the 15 to Charles McGinty for the final TD. The Tyler line smothered Gene Bahnsen behind his own goal in the final period for a safety to ice the game. This tenth straight win kept the Apaches in first place in the national rankings and assured them of a Little Rose Bowl bid.

APACHES DROP HARD FOUGHT CONTEST IN LITTLE ROSE BOWL

There have been few contests ever played in the famed Rose Bowl as exciting as the 1951 Little Rose Bowl game in which Pasadena City College defeated Tyler Junior College, 28-26. The entire crowd, 41,971, the second largest ever to see two junior colleges clash, was on edge from the moment Billy Andrews returned the opening kickoff 94 yards for a touchdown, until Charlie McNeil's desperate field goal try on the final play of the game. On the first play from scrimmage Al Napoleon, Pasadena's Hawaiian scatback, followed his blockers beautifully around end all the way to paydirt. After that fifty seconds both teams settled down to a hard fought game. The Apaches scored the next two touchdowns, one on a sustained 68-yard drive and the other on a break, a recovered fumble on the Bulldog 28. The host team intercepted a Linney pass and went on to score their second touchdown to trail at halftime 19-14. The third quarter was the best period for Pasadena, their powerful backfield and massive line enabled them to gain 14 points. The Apaches fought their hearts out in the final quarter, but all they could squeeze out was 7 points and that was on a pass from Bobby Page to End Guy Thompson. It was a hectic finish for an excellent season, but the Tribe played a sensational game, a game of which they can certainly be proud.

As he steps off the plane, Coach Floyd Wagstaff receives the key of the city from members of the Pasadena Junior Chamber of Commerce.

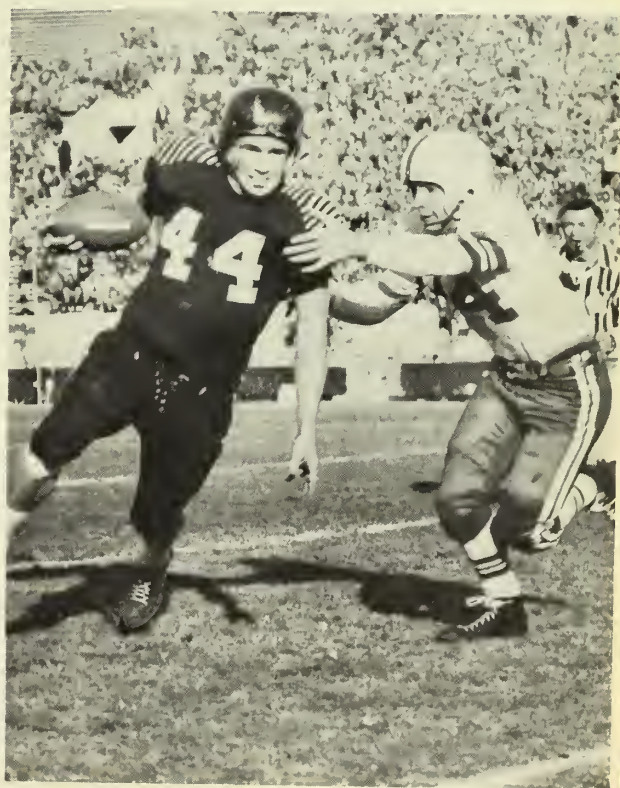

Bill Andrews returns the opening kick-off 94 yards for a touchdown against Pasadena in the Little Rose Bowl game.

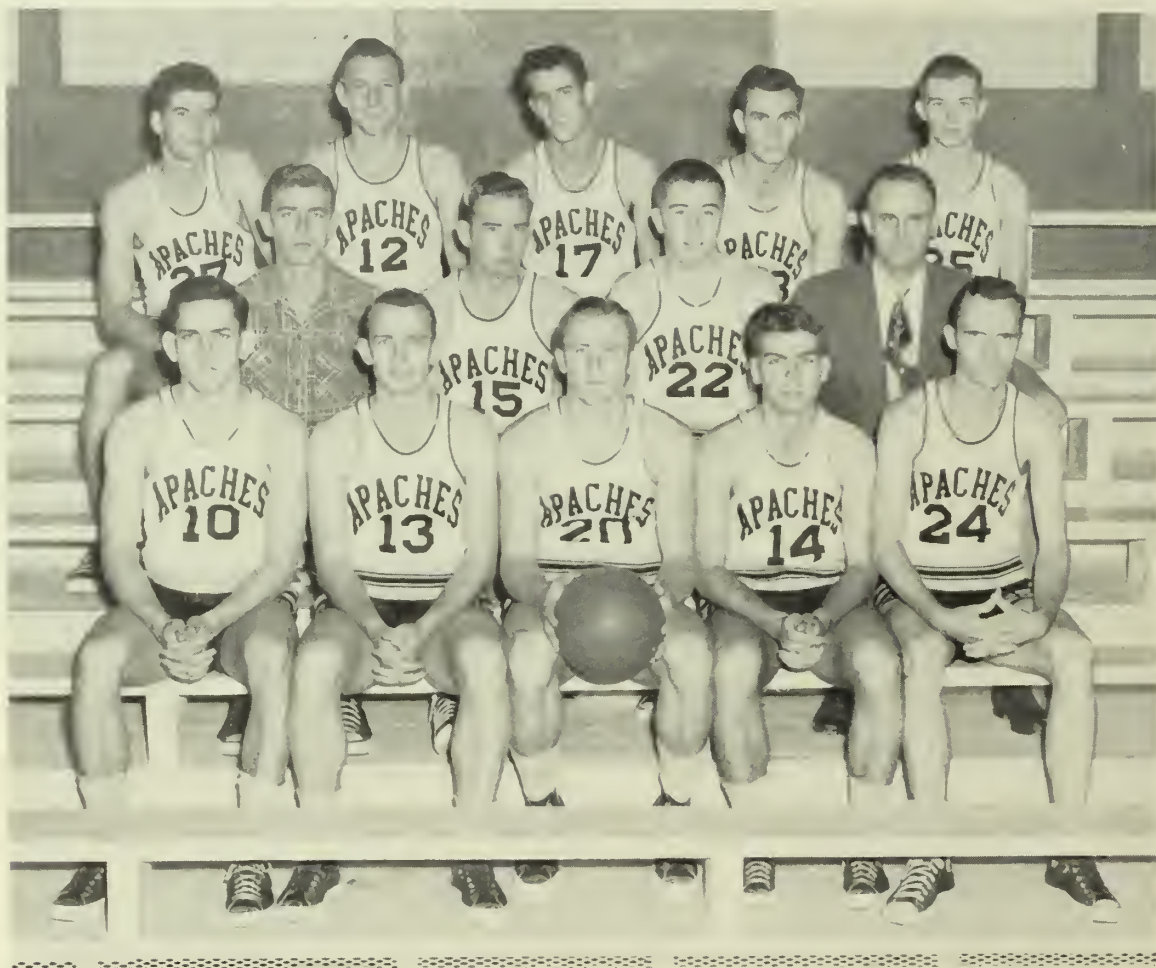

Two plays later Al Napoleon runs 63 yards to score.

End Guy Thompson catches a pass from Bobby Page and struggles across for Tyler's last touchdown.

THE APACHE BASKETBALL TEAM OF 1951-52

First row: Smith Markham, J. W. Stuckey, Jack Mosher, Clyde Carlisle, and James Richardson.
 Second row: Don Blavier, Manager; Earle Hill Moore, Merle Gorman, and Coach Floyd Wagstaff.
 Third row: James Sitton, Lloyd Giles, Gene McKibben, Burl Plunkett, and Glenn Pearson.

The 1952 Apaches have lost more games than any team since Floyd Wagstaff became head coach in 1946. However, there was *not* a weaker quintet in Apacheland this year—the Apaches have merely met stronger and more colorful opposition. Several of the losses were to freshman teams of Southwest Conference schools; surely these senior colleges field strong freshman teams, for their players are the future basketball stars of the Southwest. Other losses were to Oklahoma teams as a result of their ball-control type of play. The Apaches also dropped a contest to one of the strongest senior college teams of West Texas, Wayland. It may appear to some that we are making excuses for our losses, but why should we? Despite their several losses, the Apaches have compiled a record few junior colleges of the nation can equal.

Captain O'Neal Weaver receives the 1951 National Championship trophy from the NJCAA President, Reed K. Swenson.

The National Junior College Athletic Association was formed at a meeting of coaches held May 14, 1938 at Fresno State College, Fresno, California, the purpose being to promote and improve junior college athletics throughout the United States.

An invitational basketball tournament held at Compton, California, in 1945 grew into the Association's Regional and National basketball tournament program as we know it today.

The first NJCAA National Tournament was held in 1948 at Springfield, Missouri, with the Apaches finishing sixth. Herb Richardson's outstanding performance earned him an All-American berth. The following year the tournament was moved to its present site in Hutchinson, Kansas. Led by Jerry Champion, Jose Palafox, and Bryan Miller, boys who later made All-American, the Tribe edged out Hutchinson to win first place in the National Tournament. Although TJC undoubtedly had the strongest team in its history in 1950, they were defeated in tournament play, this loss placing them fourth. O'Neal Weaver was Tyler's contribution to the All-Tournament Ten that year. Last year the Apaches repeated their 1949 performance by overpowering Northeast Mississippi in the tournament finals. Weaver was again named All-American, as was Jack Mosher.

Plunkett and White go up for the tip-off to get things started . . . Davenport (41) rips off a long gain against the University of Houston . . . Pearson puts in another two points for the Apaches . . . Krysa (88) and Hughes down Victoria's Passmore.
